Nationwide: Southern Smoke Emergency Relief Fund*

Description of Program and Relief

Southern Smoke provides funding to those who own or are employed by restaurants and bars, or by restaurant or bar suppliers, and are faced with unforeseen expenses not covered by insurance. Grants from Southern Smoke can be used to cover medical bills, costs associated with car accidents, weather catastrophes, and mental health needs. Southern Smoke’s website also provides links to other helpful resources for individuals impacted by the COVID-19 outbreak.
