Montana: COVID-19 Testing and Treatment for Uninsured Montanans

Description of Program and Relief

The State of Montana will pay for COVID-19 testing for Montanans without health insurance when the test is recommended by a provider. The State will also pay for treatment costs for uninsured Montanans who test positive for COVID-19.

Government or Lead Agency

State of Montana

Dates Available

Effective March 23, 2020

Eligibility Requirements/Restrictions

Uninsured Montanans will be required to provide a recommendation from a provider according to current CDC guidance, and the state will reimburse them for that provider visit.

Application Deadlines (If Applicable)

N/A
