Nebraska: Assistance for Dependent Children (ADC) Funded by Temporary Aid to Needy Families (TANF)

Description of Program and Relief

ADC is a pre-existing program that provides cash assistance to low-income families with minor children. While no specific guidance has been issued with regard to COVID-19, families affected by COVID-19 may qualify if they meet the eligibility requirements.

Government or Lead Agency

Nebraska Department of Health and Human Services

Dates Available

Ongoing

Eligibility Requirements

Applicants must be either pregnant or responsible for a child under 19; either under-employed, unemployed, or about to become unemployed; and their income level must not exceed the state’s “standard of need” threshold.
