Oklahoma: Women, Infants & Children Program (WIC)

Description of Program and Relief

WIC provides nutritious foods to supplement the diets of women, infants, and children. WIC foods are specifically chosen to provide the nutrients women and their children need. While no specific guidance has been provided for those affected by COVID-19, individuals and families adversely impacted by COVID-19 should be eligible if they meet general eligibility requirements.

Government or Lead Agency

Oklahoma State Department of Health

Dates Available

Effective immediately.

Eligibility Requirements/Restrictions

Infants, children up to the age of five, and women who are pregnant, breastfeeding, or have recently given birth are eligible for WIC. Participants must also live in the state of Oklahoma and have a family income within program limits. Those who receive Medicaid, SNAP, or TANF are automatically eligible for WIC benefits.
