DC: Department of Motor Vehicles Extension of Expiration Dates

Description of Program and Relief

In light of COVID-19, the D.C. Department of Motor Vehicles has extended the expiration date for all documents expiring March 1, 2020 through April 28, 2020, including driver licenses, identification cards, vehicle registrations, inspections, ticket payments and ticket adjudication requests, until May 15, 2020.

All driver licenses, vehicle registrations, and vehicle inspections scheduled to expire will be granted a waiver without penalty until the D.C. DMV reopens at full operating capacity.

All tickets will remain in their current status until May 15, 2020 and no additional penalties will be assessed during this period. In the interim, the public is encouraged to request adjudication and pay citations online.

Additionally, all driver license suspensions and revocations will be paused until the D.C. DMV returns to full operating capacity.

Effective March 25, 2020, all D.C. DMV in-person Service Centers will be unavailable to the public. In-person services at D.C. DMV locations (e.g., Inspection Station and Service Centers) are set to resume on April 28, 2020.
