Delaware: 2-1-1

Description of Program and Relief

Delaware 2-1-1 provides one central resource for access to the health and human service organizations that offer the support necessary in the face of a range of events and circumstances, including natural disasters and the struggle to meet every day basic needs. The resources can be used by any Delaware resident and covers everything from food assistance, emergency messages and orders from the Governor of Delaware, including those related to COVID-19 and medical care. These resources can be accessed here: http://211service.com/.
