Hawaii: Governor’s Third Supplementary Proclamation for COVID-19

Description of Program and Relief

Governor David Ige issued the Third Supplementary Proclamation for COVID-19, including a directive that persons may only leave their home or place of residence for essential activities or to engage in essential businesses, effective Wednesday March 25, 2020 at 12:01 am.

The following is a non-exhaustive list of businesses designated to be essential:

1. Healthcare services and facilities
2. Stores that sell groceries and medicines
3. Food, beverage, cannabis production and agriculture (this includes animal shelters)
4. Education institutions
5. Organizations that provide charitable and social services
6. Media
7. Gas stations and businesses needed for transportation
8. Financial institutions
9. Hardware and supply stores
10. Critical trades (including plumbers, electricians, exterminators, and janitorial staff)
11. Mail, post, shipping, logistics, delivery, and pick-up services
12. Laundry services
13. Restaurants for consumption off-premises
14. Sellers, manufacturers, and suppliers of products needed to work from home
15. Supplies for essential business and operations
16. Transportation
17. Home-based care and services
18. Residential facilities and shelters
19. Professional services (including legal, accounting, insurance, and real estate services)
20. Child-care services
21. Manufacture, distribution, and supply chain for critical products and industries
22. Critical labor union functions (including the administration of health and welfare funds)
23. Hotels and motels
24. Funeral services
25. Government functions

The following is a non-exhaustive list of permitted activities outside the home:

1. Travel for health and safety, including to care for elderly or dependents
2. Travel to engage in, or obtain goods or services from, an essential business
3. Travel to ensure minimum basic operations of non-essential businesses
4. Travel to depart the state
5. Travel mandated by law or court order (e.g., transport children pursuant to a custody agreement)
6. Outdoor exercise activities, as long as social distancing requirements are maintained
7. Walking pets on a leash

All essential businesses and persons engaged in permitted activities identified shall exercise the following non-exhaustive social distancing requirements to the fullest extent possible:

1. Maintain six feet of physical separation among all persons, to the extent possible
2. Make hand sanitizer and sanitizing products readily available to employees and customers
3. Separate operating hours for high-risk populations
