Hawaii: COVID-19 Emergency Farm Relief

Description of Program and Relief

Hawaii’s COVID-19 Emergency Farm Relief program provides up to $10,000 for non-profits, commodity groups, agricultural associations with 501(c)(3) status and up to $2,000 for individual farming operations.

Government or Lead Agency

Hawaii Department of Agriculture

Dates Available

Now until noon on March 27, 2020

Eligibility Requirements/Restrictions

Eligible organizations include non-profits, commodity groups, agricultural associations with 501(c)(3) status. Individual farming operations may also apply.

Applicants must describe how funds will be used and indicate how such use will decrease the amount of food imported into the state and/or improve conditions resulting from COVID-19.

Application Deadlines (If Applicable)

Applications must be submitted by noon on March 27, 2020.
