New York and London, September 1, 2026 — Paul, Weiss, Rifkind, Wharton & Garrison LLP announced today that Mandeep Lotay will join the firm as Head of European Structured Finance & Securitizations and a partner in the Finance Group within the Corporate Department, resident in London. Lotay advises alternative asset managers, private capital funds, financial institutions and public and private companies on a wide range of credit opportunities, including private credit and asset-backed finance transactions, securitizations and structured finance transactions.

“Mandeep is a senior and deeply experienced partner in global structured finance and securitization and will bring a commercial, solutions-oriented approach to our clients’ most complex financings,” said Neel Sachdev, vice chair and co-head of the London office. “His deep cross-border transactional experience will enhance our structured finance capabilities in the UK and Europe, and we are excited to have him join our growing London team.”

“Mandeep is a talented lawyer with a multifaceted skillset, having worked on structured finance transactions across asset classes throughout the UK and Europe,” said T. Robert Zochowski Jr., global head of Structured Finance & Securitizations. “He will be a valuable addition to our practice.”

Lotay advises on transactions across the entire credit spectrum, including on the acquisition, disposal and financing of loan origination businesses and performing and non-performing loan portfolios; and on financing transactions, including full recourse asset-based lending, earnings-based leveraged finance and limited recourse securitization product transactions.

Lotay has been recognized by *Chambers Europe* for his work in capital markets and securitizations since 2009. He is currently ranked by *The Legal 500* as a Leading Partner in Banking and Finance and by *The IFLR1000* as a Market Leader in Banking and in Capital Markets: Structured Finance and Securitization, among other honors.

Lotay earned an LL.B., with honors, from Warwick University and a First Class LL.M. from the University of Cambridge (Darwin College).

The Paul, Weiss global Finance Group is one of the most dynamic practices in the industry, advising borrowers, investors and lenders on every type of complex financing instrument in the market. The group’s work encompasses borrower and sponsor-side leveraged financings, award-winning securitizations and complex derivatives transactions across a broad array of structures.
