# Paul, Weiss To Add Investment Funds Partner in London

**New York and London, March 18, 2026** — Paul, Weiss, Rifkind, Wharton & Garrison LLP announced today that Nathalie Sadler will join the firm as a partner in the Investment Funds Group within the Corporate Department, resident in London. Sadler advises on the structuring, establishment and management of private investment funds across a variety of asset classes and jurisdictions.

“Nathalie brings deep experience advising fund sponsors across a range of asset classes, and we are excited to welcome her,” said Paul, Weiss Chairman Scott A. Barshay.

“Nathalie has a stellar market reputation and extensive expertise in investment funds,” said Jeremy Leggate, co-head of European Investment Funds. “As we see continued growth in fund formation and sponsor activity across Europe, Nathalie represents a key addition to our Investment Funds Group in London, and her arrival will further strengthen our team’s capabilities.”

Sadler’s practice covers a variety of asset classes, including private credit, private equity and real estate. Sadler also counsels fund managers on management and advisory matters, including the structuring and launch of global employee co-investment programs and the implementation of carried interest and other incentive arrangements. She also advises on general corporate, regulatory and compliance matters.

In 2023, Sadler was named both a Private Equity Rising Star by *Law.com* and a Legal Rising Star by *Private Funds CFO*. She earned a BSc in chemistry and law from the University of Bristol and an LPC from BPP University Law School.

The Paul, Weiss Private Equity Group advises some of the world’s largest and most sophisticated alternative asset management firms and their portfolio companies, as well as up-and-coming investment funds, on M&A transactions, minority investments, financing and capital markets solutions and fund formation matters. The Paul, Weiss Investment Funds Group, in particular, advises fund managers in all aspects of the organization and operation of investment funds across the liquidity spectrum.
